Macksey Rush Architecture

Stage 2 Expansion, \$9.6M, Coomera, Queensland Wiley services being delivered: construction and Principal Contractor

College set to expand

St Joseph's College in Coomera, Queensland, is set to expand to accommodate the growth of their learning community. Wiley are excited to commence the construction of this project.

The challenging scope Wiley will deliver

The project includes four new buildings and a new carpark. The buildings consist of:

- General Learning Areas (GLA's)
- Science room
- Dance and drama rooms
- Music practice rooms and dedicated sensory learning area's for music
- Food tech
- IDT and art
- Library
- Amphitheatre
- Student amenities

Wiley will collaborate with key stakeholders to ensure construction is coordinated to provide a safe environment for students, staff and construction workers, and to minimise disruption to daily school operations.

St Joseph's expansion was completed late 2020.

The St Joseph's project will join the Wiley Education team's \$200M portfolio of successfully delivered projects.

"We are excited to be delivering this state-of-the-art facility, which will provide a superb learning and interactive environment for the students and staff. We are also looking forward to working with Macksey Rush Architects and local subcontractors on the project."
Pat Wills, Wiley Project Manager.
